Dear Brother

Agreeable to your direction I called on Mr Woodbridge the 2nd of June for the money then due for the Almshouse Board and he then stated that he had no funds on hand to pay it and that he had formerly been in the habit of advancing his own sometimes to the amount of a Hundred dollars but he did not feel as if he could do it at that time. But he said that he would write to Mr Almshouse in N.Y. and he had no doubt but it would be ready by the first of July. I saw Mr Miller and he agreed to wait until that time. Last Saturday I went in again with the bill since the 3rd of March ^{to 7th July} 18 weeks \$54 but Mr Woodbridge had neglected to write to Mr Almshouse and of course he said he was not prepared to pay it. He said he would attend to it immediately and that the money would be ready soon. I have seen Mr Miller since and explained the matter to him he is in great want of the money but is disposed to be as patient as possible. I think you had best send Mr Miller an ~~an~~ Order and let him call on ~~the~~ ^{him} himself as he goes to Hartford himself every week. I mentioned this to Mr Miller and he approved of it. ^{probably} you have been informed that an attempt would be again made to get a road through your land this has been successful and the Committee are to meet here the first Monday in August to lay it out we do not know exactly where it will go. The Town of F. will approve it as far as they can. Friends here are all well. Woodbridge is expected home soon. All send Love. I write in haste to save the trouble of going to the Office myself.

yours Truly
